

St. John's School

Student School Supply List

SY19-20

At St. John's our goal is to practice going green, therefore the classrooms will no longer be providing kitchen supplies such as napkins, paper plates, cups, and plastic utensils.

The classrooms will also not be using any antiseptic cleaners such as Clorox or Lysol wipes.

All student lunches must include utensils and microwavable containers. Also, please ensure that lunches are not in packed containers that restrain your child from eating comfortably without spilling food over.

IMPORTANT NOTE: School supplies from previous years and generic/other brand substitutions are acceptable.
