GUAM, USA

## CHASE THE KNIGHT

Hafa Adai! St. John's School PTA is excited to host our **13th Annual Red and White 2K/5K** on **February 8, 2025**. We are grateful for the support of our St. John's School families, business community, and the community at large. We aim to continue our 5k tradition with our efforts and your support to have over 1,000 registered participants. This event not only focuses on family participation, but also promotes physical fitness and strengthens ties between students, teachers, parents, and the community.

We invite you to please join us and show your support for St. John's School by being a part of our fundraising efforts. During the last year and a half, the PTA was able to distribute over \$13,000 in support for our music department, the playground, safety patrol, the annual golf tournament, school clubs, groups, classes, faculty, and parental support.

The PTA has also hosted numerous community-building events for our St. John School families. Our popular **Red & White Festival, Wacky Olympics and Sports Day** have become St. John's School traditions that the school community looks forward to each year.

Your contribution of cash, gift certificates, or in-kind donations will make a tremendous difference in the success of this fundraising event and our future ability to support the school.

Please refer to the attached form for sponsorship levels and benefits. We encourage you to join us in making our **Thirteenth Annual Red and White 2K/5K** a great success. Your full support and participation is greatly appreciated! **The deadline to submit the attached sponsorship form and company logo for marketing/media purposes is Friday, January 3rd.** We look forward to hearing from you. Si Yu'os Ma'ase!
